TO

Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,
*Secretary to Government of His Highness
the Maharaja of Mysore,
Muzrai Department.*

SIR,

With reference to your official Memoranda Nos.2003 and 2333 dated the 12th March and 22nd April 1931 respectively, forwarding for report a representation of the Swamigalavaru of the Sri Vyasaraaya Swami Mutt in regard to the acquisition of some property at Sosale for constructing a new Mutt building, I have the honor to forward herewith the correspondence ending with Mysore Deputy Commissioner's letter -- No.D.41995/30-31 dated 17th March 1931, together with a copy thereof and to state as follows:-

2. The Deputy Commissioner reports that there have been precedents of acquisition of properties under the Land Acquisition Regulation for the benefit of Mutts and Masjids. The Mysore Trust Board acquired -- certain properties for Sri Parakalaswami Mutt, Mysore, under the -- authority of Government Notification No.2408-p-p.90-26-7 dated 26th September 1927. He has also reported that properties were acquired by Government for the benefit of the Masjid at Nanjangud, vide L.5563/Ml.16-28-30 dated 16th January 1930.

3. It is seen from the records that that portion of the new ---- Sosale village is named 'Vyasaraja Agrahar' and was formed for the express purpose of constructing a building for the Mutt and houses -- connected with the Institution. It is seen from the Sub Division - Officer's report that the grant of sites in that locality was, in a way, conditional.

4. I may also bring to the notice of Government that the -----

the amigalavaru has in his letter dated 12th April 1931 addressed to this office, stated that he intends building up a Sanskrit Patasala as an adjunct to the Mutt. He has requested that the particular houses about which there has been so much - dispute may be acquired very early along with other houses. The Sri Vyasarayaswami Mutt is a well known institution of ---- considerable importance, with its head quarters at Sosale. It would not be out of place if necessary help should be given by Government to the Mutt, especially in regard to the construction of the building for the Mutt and Patasala.

5. Agreeing with the Deputy Commissioner, I recommend that Government may be pleased, in modification of their letter No. 701/1uz.309-29-2 dated 19th September 1930 addressed to the Deputy - Commissioner, Mysore, in the matter, to declare that the houses are required for a 'public purpose.' A statement containing - the particulars of the property to be acquired, received from the Deputy Commissioner, is enclosed herewith for reference.

6. Early orders of Government are requested.

I have the honor to be,

Sir,

Your most obedient servant,

Yreanaswaja Rao

For Muzrai Commissioner.

Letter No.D4.1995/30-31 dated 17th March 1931 on the
Deputy Commissioner, Mysore District to the Muzrai Commissioner
in Mysore.

Acquisition of properties to Sri Vyasarayaswami Mutt at
Sosale, T. Narasipur Taluk.

In continuation of this office letter No.D4.1995/30-31 dated the 22nd December 1930 intimating that Government considered that the properties could not be acquired under the Land Acquisition Regulation on behalf of the Mutt, I have the honor to state that the Sri Swamigalu and the residents of the village have been repeatedly urging that the house property for which preliminary notifications were already submitted to Government have to be acquired in the -- interest of the Mutt and the public tranquility of the village, and their property. They have also pointed out that there have been precedents for acquiring such properties to Mutts at the instance of Government i.e., under the provisions of the Land Acquisition Regulation.

I have examined a few such instances. It is a fact that some properties have been acquired by the Mysore Trust Board for Sri Parakala Mutt, and by Government for the Musjid at Nanjanad. Copies of Gazette Notifications in the matter are enclosed for ready reference.

During the recent Huzur Jamabandy Settlement of T.Narasipur Taluk conducted by me, I inspected the village and came to know the situation. I am convinced that in the interest of the Mutt, its prosperity and the public tranquility, it is desirable that - the house property in question should be acquired under the Land Acquisition Regulation. It was also reported to me that many of the neighbouring sites belong to the Mutt, and that the villagers have been allowed to construct houses thereon, on the understanding that they should vacate the houses without claim compensation, if there was occasion of it.

I request that you will kindly recommend to Government in view of the above facts, and in view of the precedents cited in para supra, to reconsider their decision.
